BIKERS AND FOOD

EAT AND RIDE

Why did we choose it?

to reduce the problem of waste
through restaurants

cycling: sport practiced
everywhere and by anyone

route: departure from
Montevecchia in Brianza through
panoramic routes

dining: famous restaurants in the
area

food: recycled food

Health: the welfare to which every
person is entitled

what does it involve?

cooperation between sport (cycling) and catering

50 km cycling route

tasting of dishes with food waste

Who is it for?

to amateur cyclists

**to restaurants participating in
the reduction of food waste.**

realized by:
